## *Lote Annapurna, Mismaloya*

What a special site to build your dream home!

Near the top of the upscale development Lomas de Mismaloya in the quaint town of Mismaloya (just 15 minutes South of Puerto Vallarta), you'll find this wonderful lot. Located on a well-maintained cobblestone street between two large, wonderful homes, this steeply sloped lot could support a multi-story home (as are the homes on each side) in which each floor would have incredible views of the bay below. This is a fantastic lot, and is priced to sell.
