Villa Gardenias

Houses

Sophisticated Villa situated just minutes from Old Town, this elegant property offers glorious open spaces and an enviable location. An exquisite open area on the first level includes a large living area, large dining area, a gourmet kitchen with two adjacent service rooms, a den with its own full bathroom that could easily be converted into guest bedroom, a patio/alley that leads to a separate two story studio ideal for guests or to rent out, also a huge pool area with two pools a BBQ bar to entertain and a large deck. The second floor design is a light filled, tastefully decorated second living area, an open entertainment area, glamorous primary bedroom with a primary bath and a large attic that is great for storage. The third floor has two large guest bedrooms with their...
